# ax Hike In Upland

A tax increase of three and one half cents per one undred dollars of assessed valuation can be ex-pected by Upland taxpayers if the proposed budget for the year is approved by the City Council at the next regular meeting, Wednesday, June 5 at City

According to City Man-ager, Elwin Alder, the increase in property taxes is in keeping with the original 13 1/2 cents per one hundred dollars which was agreed upon two years ago when plans were approved for the Civic Center.

Alder explained that two years ago the taxpayers were presented with varied programs at public meetings and that the people accepted the 13 1/2 cent increase.

Taxes were increased 10 cents per one hundred dollars last year and the 3 1/2 cents per one hundred is the remainder originally appropriated for the new library and fire

If approved property taxes will be \$1.80 1/2 cents per one hundred dollars of assessed val-

uation in Upland, Other highlights of the proposed budget for next year include the possib-ility of a five per-cent cost of living increase for city employees, a recom-mendation for study of the city employee salaries in comparison with municipalities of the same size, a proposal that the city purchase machinery for cleaning the sewer lines and increased police de-partment employees.

The proposed five per-cent of living increase would become effective July 1 if approved by the city council.

Alder explained that, "The cost of living has increased over five per cent in the past year, and at present city employees are operating at a loss." He also expressed concern over the fact that Upland city employees may not be receiving salaries in keeping with other cities of the same size and makeup. The proposed study of other city's current pay scales is aimed at rectifying this situation.

Of special interest to residents is the proposed purchase of a \$14,000 piece of equipment, which would alleviate the sewer clogging problems of the

past few years.

The budget calls for the city to purchase a machine capable of souring the lines with water under high pressure thereby clearing the lines of the detergent buildup.

The city manager also

proposes that the council allow for an increased sewer maintainance pro-gram which would call for the annual cleaning of ail

The Police Department and the Fire Department would also benefit if the budget is approved.

An increase of two policemen and the addi-

political system and the

inconsistencies and un-

usual twists of a political

campaign.

tion of one police car is called for in the police department and the fire-men would benefit by a reduced work week. Currently, the firemen are working a 67.2 hour week. This would be reduced to 63 hours on the recommendation of Fire Chief Leon Lamphear.

Also suggested for the police and fire departments is the proposal that there be one dispatch man for both departments. This would eliminate the necessity of leaving one man behind each time the firemen answer a call.

#### **Budget Look** Tonight At 7

UPLAND - Residents of Upland will be afforded the opportunity to peek at the proposed budget tonight at the council chambers at 7 p.m.

Originally, the meeting was set up for Tuesday

#### Teen Agers Help Nab Suspects

UPLAND -- Because four teen-agers took interest in a suspicious ve-hicle cruising alleys in north Upland, a Pomona couple was arrested Wed-nesday by police for in-vestigation of burglary.

Jane Leona Roberts, 23, of 1367 Murietta St., Apt. 4, was caught by Patrolman Gary Hart and Reserve Officer Daniel Cron carrying clothes out of the home of Mr. and Mrs. W.T. Kegler, 1834 Albright St., about 10:45

Arrested later by Pomona Police Department was Richard Norman Morgan, 19, of the same address.

Sgt. Howard Seay said the teens became suspicious of the car and watched its movement. Then one of them went to a nearby home and had the owner call police.

"It's this type of community involvement that will help us cut crime down," Police Chief John A. Wessely said.

BUSY AS A BEE -- A cargo type helicopter took over the task of hoisting heavy duty air conditioning units and transporting them to various locations on top of the Montclair Plaza Mall. Swifter and cheaper than using a crane, the air transportation method took only half a day (last Wednesday) to complete the job.
The whole mall with its many shops will provide a
pleasant atmosphere for shoppers with the added
comfort of airconditioning.

## Merchant's Plan **New Faces**

As a result of Upland's downtown revitalization program, several merchants have recently submitted drawings to the Architectural Commission covering exterior remodeling work for their respective busi-

Rodney A. Anderson, planning director has released the following list of merchants presently planning to remodel their buildings: Advance T.V., 130 E. Ninth; Modern Decorators, 161 N. Second Ave.; Banner Liquor, 101 N. Second Ave., and Bus and Mary's Beer Tavern, 155 N. Second Ave.

Advance T.V. owned by Larry Magnon has submitted one set of drawings to the commission and is preparing additional drawings calling for the restyling of the store front along Ninth Street.

Banner Liquor owned by Earl L. Ammons has submitted plans calling for the combining of an empty building north of the liquor store with the present structure. The appearance of the buildings would be changed on Second Avenue as well as on the parking Rodney A. Anderson, planning director has released

changed on Second Avenue as well as on the parking lot side.

Bus and Mary's owned by Charles L. Swanton of Beverly Hills will remedel making part of the existing building into a cafe. The new establishment will be known as the Sea Cove fronting on Second Ave. The cafe will have frontage on the parking lot.

Modern Decorators will remodel on the parking lot side of the building, having completed Second Avenue remodeling this past year.

#### Commission Advocates-

## Downtown Remodeling Calls For Architect

The remodeling pro-gram in downtown Upland is causing concern on the part of the Architectural Commission as evidenced this week by a letter from Jack Causey chairman of the commission to Roger Olson, chairman of the **Downtown Redevelopment** Committee.

The Architectural Commission noted that as a result of Upland's downtown revitalization pro-gram, several merchants have submitted drawings covering exterior remod-

eling.
Although the commission is very pleased that the merchants are becoming involved in remodeling, they expressed concern that the submitted plans are too varied in design.

The commission strongly believes that an over - all design motif should be used and to avoid fragmented designs requests that the downtown merchants employ an architect to prepare studies of the buildings and entire blocks of buildings.

These studies are sug-gested to help the mer-chants visualize the remodeling from the street, the parking lot and the The commission also

made it clear that they feel that now is the time to act on remodeling, while the revitalization program is active.

# Sgt. Epimenio Lara Killed In Action

UPLAND -- Sgt. Epi-menio "Happy Manuel" Lara, 23, died Thursday in Vietnam of wounds and burns suffered when his Military Police jeep was mortared and burned by

Viet Cong shell-fire.
Lara, a native and life resident of Upland, was the son of Mr. and Mrs. Benjamin Lara, 1391 Chaffey St., Upland. He graduated from Chaffey High School and then attended Chaffey College prior to enlisting in the Army two years ago. He served one year in Ger-many before being sent to Vietnam.

Lara's parents were notified Wednesday that he had been wounded in combat while on jeep patrol. On Friday afternoon an Army officer from Fort Irwin notified them of his death. The official government wire was regovernment wire was received by the parents Sat-urday afternoon about 1

PRESIDENT'S BALL AT RED HILL COUNTRY CLUB -- Preparing for the annual gala event to be held June 15 at Red Hill are Mrs. Norman Springer of Ontario, in charge of Presidents re-ception; Mrs. B.C. Stevens, Cucamonga decorations

chairman; Mrs. Robert Wright of Upland and Mrs. F. Heath Schroeder, Claremont, handling invitations. The Ball will honor current president Conrad B. Walburger and the board of Directors, and all past presidents of the Club.

#### Mrs. J. Dewey Harnish Honors Ticktockers

Junior and Senior Ticktockers of Foothill Chapter, National Charity League, were entertained recently by Mrs. J. Dew-ey Harnish at Red Hill Country Club, Cucamonga.

Mrs. Harnish, Honorary Patroness of the Ghapter, welcomed the Ticktockers to the Traditional "End of the Rainbow' luncheon, the 12th such event she has hosted honoring 11th and 12th grade girls on the com-pletion of their active Ticktocker years.

A toast to the seniors was offered by Junior president Miss Vickie Abbott while Miss Catherine Ellena, senior president responded with a toast to the Juniors.

Miss Susan Pendergast proposed a toast to their hostess Mrs. Harnish and presented her with a corsage from the girls.

Senior Ticktockers were especially honored at the noon affair. Most of them will go on to become College Ticktockers and later National Charity League Juniors.

Junior Ticktockers attending the gala affair in-cluded, Victoria Abbott, Laura Bescoby, Pamela Casey, Heidi Chilcott, Gail De Carli, Suzanne Kimball, Paulette Magistro, Anita Michael, Susan Pendergast, Sally Sac-cani, Christine Vavrinek, Marilee Wake and Patricia Delahoyde.

Seniors were, Chris-tine Campbell, Catherine Ellena, Christina Graue, Helena Keeshen, Stephanie Mc Cauley, Christine McCutchen, Kristine Melillo, Judith Mills, Patri-cia Townley and Donna

Guests invited by Mrs. Harnish included the Mmes: Leo J. Lucas, John H. Hooval and Miss Clara

Lou Nisbet, sponsors, J. Doug Robertson, Foothill Chapter president, H. Douglas Sage, Truman T. Ackerson and Arnold W. Abbott, Founders, Ralph Durso, Wilfred M. Mac-Sween, Robert Chilcott and John R. Campbell. Floral decorations in

rainbow hues were used in decor and in the corsages presented each girl Miss Heidi Chilcott while varigated carnations, pink and white Shasta daisies, stephanotis and fern were attractively arranged and centered the head table.

## Speed Reading Course Planned For PV YMCA

Cameron Sinclair, faculty member at Chapman College and UC Irvine, will teach a special interest program in "Speed Reading with Comprehension" for the Pomona Valley YMCA, announced Dwile Heggem, Executive Director.

English and Linguistics, Sinclair has instructed many classes in reading improvement for major aerospace companies and YMCA's. He states, "Almost everyone is attracted to speed reading because of their increased heavy reading assignments. New reading techniques not only greatly increase speed, but more important, increase comprehension and retention. Increased comprehension makes reading more en-

joyable and more profit

This program, developed by Mr. Denis Fenton of the Reading Institute of America is most effective because of its flexibility which allows the individual to advance at his own rate. In addition, the diversified reading material is similar to that encountered in a person's life at home, school or business. Students practice on the same type of

read every day.

Heggem states that the work of the YMCA in the development of body, mind and spirit of man can help the individual keep up to date with knowledge that is proliferating at such a staggering rate that one is swamped with the amount of reading re-

material that they must

quired just within the narrow confines of his particular field. "If we can
help someone cram in two
or three times as much
needed information as he
was able to do formerly,
then we will have helped
him improve his life. This
is particularly important
to the young college student as he faces the heavy
load of required reading
which seems to be accentuated by the quarter
system, which has been
adopted by many of the
colleges and universi-

All interested persons are invited to a demonstration and free diagnostic testing and evaluation. These will be held on Saturday, June 22 at 10 a.m.; Monday, June 24 at 7:30 p.m. and Thursday, June 27 at 7:30 p.m. at the Pomona Valley YMCA.

PENNY, played by Helen Weissleder, shows her surprise and fear, when she opens a closet door and finds a masked man (Gary Miller) pointing a revolver at her. The scene was in rehearsal for "Laughing Gas", next Garrick Player production at the Castle Theatre, "C" and Lemon, Ontario.

## Final Week For 'Laughing Gas' At Castle Theatre

Garrick Players will be staging the final week of the comedy of murder and love, LAUGHING GAS, June 3, 7, and 8 at 8:15 p.m., in The Castle, C and Lemon, Ontario, in which Richard Colvil of Montclair is making his debut as director of the production.

A five-year member of Garrick Players, he has been an active backstage worker, and served as stage manager of many productions of the last two years. He was seen as the slick medium in the January play, THE AGENT, and appeared in LAURA, and THE MAN WHO CAME TO DINNER. Colvil's first work in front of the public was as a clown in the many parades that he has organized and led, including the All States parade in Ontario, and the American Legion parades in Pomona.

Pomona.

The chorus girl who falls in love is played by Judy Jacobs, a new resident of Upland. Her policeman boy-friend is played by Al Barry, Pomona. Aunt Amy, the chaperon, is played by Carol Dowling, Upland. Other Upland cast mem-

bers are Karen Kregel, cast as Olga, and Bob Van Allan, who is the judge.

A brother and sister from Montclair, Sheila and Stacy Paul play Mrs. Merlin, and Tony La-Porte. Ontario residents complete the cast: Helen Weissleder as Penny, Becki Smith as Vivian, Margaret Holder as the beatnik poet, Flavia; Walt Brasch as the novelist; and Gary Miller as a radio actor.

A showing of LAUGH-ING GAS is to be made next week at Casa Colina for the mobile patients and the staff.

# THE SOUTH SOUTH OF THE SOUTH OF

We'll have to take part of the credit...or blame...for modern music. The beat. The sound. Electric guitars, electric banjos, electric organs, electric amplifiers. Who knows, maybe even electric kazoos.

We're not necessarily endorsing the present trend. We're just pointing out that none of it could have happened without our product.

There wouldn't be any hi-fi stereos, or radios, or TV to bring you music, either. But

because of electricity, you can tune in the whole world. Music, entertainment, sports, news, everything.

What's it cost you? So little you probably don't even think about it. Fractions of a penny to play a record or watch a television show.

Only electricity can do so much for so little.

# Mr. and Mrs. Upland-- Here is Your Mayor.

(right picture) George Gibson dons two different hats. As Upland's Mayor, Gibson puts in his working hours usually in the evening and on weekends. At Kaiser Steel, Gibson is superintendent of Plant Protection. The hard hat he wears in the right photo is required of all Kaiser employees. HE WEARS TWO HATS -- On the job in Upland (left picture) and at Kaiser Steel Corporation

UPLAND -- Question, listen, investigate on your own, analyze, come to a conclusion, then move ahead.

This is how George M. Gibson, Upland's new mayor, has worked for more than 28 years.

A Pederal Bureau of Investigation agent from 1940 to his retirement in 1961, Gibson has carried his FBI training and methodology into his job as an Upland

councilman and now mayor.

Gibson became an FBI agent when he graduated from Kent College of Law, Chicago, Illinois, in 1940.

'It was at the end of the depression and there

weren't many opportunities for lawyers in Chicago at the time," Gibson explained.
"I heard the FBI office in Chicago was expanding and I decided to join," he said.

#### FIRST ASSIGNMENT

After being thoroughly investigated himself and undergoing an extensive training program in Washington, D.C., Gibson was given his first assignment in Huntington, West Virginia.

Six months later, he was transferred to New York

where he remained for three years.

Two "hot cases" comes to mind when he recalls

his New York assi

During World War II, Gibson helped find eight Nazi saboteurs who landed on the Long Island coast from

The FBI apprehended them in New York, Chicago, and Miami. Six of the eight were executed.

#### DRAFT DODGERS

Another case involved a draft dodging ring during

For a mere \$2,000 Steven Weinberg, operator of the ring, would help possible inductees avoid the draft by falsifying physical examinations and psychological

reports.
After 14 months of effort, the FBI was able to

break up the ring.

Gibson was transferred to Dallas and then Los
Angeles before being permanently assigned to the
San Bernardino area office in 1947.

For 11 years, Gibson's office was his home.
"We were given a case load of 20 or 30 cases to
work on from our homes," Gibson explained. "It
did not work out well because it seemed that we were
working all the time."
In 1958, the FBI moved to its present office on Fifth
Street in Pomona.

#### ONTARIO BANK

Gibson wound up his 14-year assignment in this area with the conviction of two Ontario bank robbers. He recalled this case as one of his most outstanding California assignments.

Two ex-convicts with nylon stockings over their heads broke into the Ontario Bank of America branch manager's apartment in 1959.

The two men drove the manager and his wife around in their car all night until the bank was ready to open in the morning.

#### \$60,000 LOOT

The men made off with \$60,000 from the bank

when it opened. "It took me two years to colve the case," recalls

With very little to go on, Gibson had to wait and keep his eyes open.

Finally a break in the case came when a similar

robbery was attempted in another state. William H. Davis and Cephas Ray Wilson confessed to the Ontario holdup when they were captured during

the second attempted robbery. air were retired," Gibson said.

When Gibson retired from the FBI, he did not give up police work.

#### KAISER STEEL

He accepted a position at Kaiser Steel, Fontana, as Superintendent of Flant Protection.

His retirement also freed him for community work. Encouraged by friends, he ran for the Upland City

Council and was elected four years ago.

"I really wanted to see the town develop as a beautiful residential city -- well planned and well zoned," Gibson explained. A councilman should be able to listen, check things out on his own, analyze, and then come to a decision,

Basically this is what Gibson has done most of his life -- for the FBI and now for Upland.

In the next few years, Gibson looks forward to a

boom in Upland. "Upland has grown so rapidly that most people will say that this is its biggest period of expansion," he said.

The mayor also pointed out that the annexation of Ontario International Airport by Los Angeles Inter-national Airport will have a big impact on Upland. Commuting between Los Angeles and Ontario will be so easy that executives might be attracted to

#### Upland for their residences, he said. PHOTOGRAPHER

In addition to working for Kaiser Steel and the City of Upland, Gibson is a talented amateur photo-

ternational Solon at the Los Angeles County Fair and the Orange Show.

He has had several photographs placed in the In-

In 1961, one of his photographs was selected to tour Europe with the United States Information Agency display of American photography.

He also enjoys traveling to Hawaii with his family.

The Gibsons have four children: Kathryn, an elem-

entary school teacher; Carolyn, a senior at San Diego State; Janice, a senior at Upland High School; and George, Jr. (Buck), a sophomore at Upland High

Gibson and his wife, Louise, have been married for 27 years. They reside at 894 N. Second St.,

All Upland Elementary School children, grades three through six are invited to take part in a Bicycle Rodeo sponsored by the Upland Breakfast Lions Club and the Upland School Safety Committee along with the Foothill Council PTA.

The Rodeo will be held from 10 a.m. to 2 p.m. Saturday, June 8 in the Upland High School parking lot. Riders will compete on grade level in

Upland police urge all children to attend and take part in the skill tests. Or-

#### **School Board Head Lashes** Legislature

UPLAND -- The president of the Upland School District Trustees May 28. lashed out at the state legislature for "implementing new programs and not providing us with teachers to carry them out.

Jarvis Leman told trustees, "The way they (the legislature) have been going, they're compounding the problem."

The district is now 18 teachers short.

Leman said unless the legislature starts taking steps to overcome the teacher shortage "it's going to become critical." He pointed out that state

colleges are now produc-ing only 50 per cent of needed teachers. This means 50 per cent must come from out of state. Superintendent Vern Orum said the legislature, "must provide the district with the ability to reach out in its own community" to recruit former

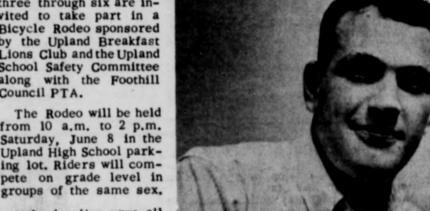

are now grown and who now have the time to teach, Orum said the district pays a higher percentage for salaries than most other districts, and it is money that is being spent

teachers whose families

## Brown, and Rita Mae Campbell, Ron Anthony Cardosa, Mary Jeannette Caster, Michael To Expand To Expand

ONTARIO -- Preliminary steps to expand the parking lot at Ontario International Airport by nearly 1,000 spaces were approved this week by the Los Angeles Board of Airport Commissioners.

OIA manager Robert M. Hamilton, Jr., said today the preliminary plans and cost estimates for the auto parking and additional aircraft parking would cost approximately \$377,120. The additional aircraft parking pave-ment is needed for alternate operations when Los Angeles International Airport is closed by coastal fog, he said.

Plans and cost estimates were prepared by the Ontario firm of Associated Engineers.

\$372,602 for the month of April, equivalent to 44¢ per hour worked, will be distributed to 5829 em-Wednesday by partici-pants in the Kaiser Steel ployees. An additional \$10,000 of the employees' United Steelworkers Long Range Sharing Plan gains was set aside for the new Hospital and

worked 5,605 man-hours nological or work methin the company's Employment Reserve, and 38 employees received a Displacement Differential, The Employment Reserve and the Displacement Differential are employment

## **Quimby To Carry** Legislation To Complete Feather River Project

Assemblyman John P. Quimby (D - Rialto) announced today that as a result of conferences with Assemblyman Carley V. Porter, Chairman of the cologne, Chairman of the Senate Water Resources Committee, that the Assemblyman will carry egislation which will proe financing to complete Feather River Pro-

-Assemblyman Quimby said, "Iam honored at this opportunity to carry legislation that will complete the funding of the great Feather River Project. The legislation will be in the form of AB 430 This measure is co-authored by Chairman Porter, Chairman Cologne, and numerous members of the Committees on Water, AB 430 will be identical to AB 15 and SB 11 as intro-

duced. "Senator Cologne's able leadership in carrying SB 11 resulted in the state of cooperation and understanding that allows me to carry with confidence AB 430 through both houses of the Legislature.

"AB 430 represents a program that is agreed upon by the Governor and the Director of the Department of Water Re-sources. SB 11, which was denied passage by the Senate Committee on Finance, and therefore is a vehicle which cannot be employed, will be re-placed by AB 430.

Briefly the bill will make it possible to construct the Project with minimum deferment of important facilities.'

One provision of the legislation will remove the "offset" provision of Burns-Porter Act. "By taking this action," Quimby said, "the \$11 million in tidelands oil revenues which is dediited annually to Project construction will not result in the setting aside of an equal amount of Burns-Porter Act Funds for future projects to augment the Sacramento -San Joaquin Delta. In effect, this means that the State will be actually doubling the \$11 million available for use on the Project. The Department of Water Resources assures me that the intial North Coastal facilities to augment the Delta can offset' provision."

The second major provision of the bill will increase annual tidelands dil allocations for the Feather River Project from \$11 million a year to \$25 million a year beginning with the 1970-71 fiscal year. This will bring the total tidelands dil revenues annually ded-icated to the Water Proect to \$30 million, inoluding the \$5 million anqually set aside for rec-

#### 2nd QUARTER CORPORATE TAXES DUE

Calendar year corporations must pay the second installment of their 1968 estimated tax by June 17, 1968, according to F.S. schmidt, District Direcfor of Internal Revenue. (June 15 falls on Saturday this year.)

The same deadline aplies to calendar year proprietorships and partnerships which have elected to be taxed as corporations.

Corporations should make payment of estimated tax accompanied by Form 503, to Federal Reserve Banks or an authorized commercial bank.

Schmidt said that the mount of the installment due by June 17 is an amount sufficient to pay one fourth of the taxpayers' 1968 estimated tax.

Document No. 5180, 'Corporations', which "Corporations", which furnishes detailed information on this subject, may be obtained by dropping a post card to your District Director, Internal Revenue Service, Los Angeles, California, 90012.

reation development at for the Feather River When the Burns-Porter which Assemblyman Porter sponsored in 1966. Assemtlyman Quimby added, "The modest increase in tidelands oil

projects under legislation Project under AB 430 is Act was passed in 1959, particularly appropriate at this time, for it simply recalls a small fraction of tidelands funds that were originally dedicated to completion of the Project.

these tidelands funds were made available for water development in unlimited amounts."

### **Border Retained As WE Fund Director**

"Jean Border has been retained as the Executive Director of the West End United Fund," it was announced by Frank Colella, President of the Board of Directors.

Colella further added, "We are most pleased to have a man of Mr. Bor-der's background and experience serving in this capacity. He was a graduate of the University of

Metallurgist with the Bethlehem Steel Company. He served as a Command Pilot with the United States Air Force and has also served as Director of Personnel and Administration while affiliated with the Air Force also.

He was Campaign Di-rector of the North Bay Crusade in California and has recently been based

of the San Joaquin County United Crusade, While in Northern California, Mr. Border made regular appearances with the San Francisco Bach Choir as well as the Stockton Symphony Chorale.

Although his wife is still in Stockton, she is eagerly anticipating join-ing him in the West End.

His daughter Claire is an elementary school teach-er in Santa Clara, while another daughter Ann is a voice major at the University of Colorado".

Colella concluded that Border will provide professional campaign leadership and administrative service to the West End United Fund.

## Youth To Have Hand At Running Fair In Future

The San Bernardino County Fair is "the fair that youth built" and the county's younger set in the future will have a

hand in running it.
Directors of the 28th District Agricultural Assn. have enthusiastically welcomed formation of a "junior fair board" to advise them on activities, programs and e-vents, and to encourage even more youth partici-pation in the annual exposition at Victorville.

Youth accounts for three-fourths of the entries each year at the fair," noted senior director Bernard M. Schep-

Each youth organiza-tion taking part in the fair will name two direc-tors to the junior board. They'll serve two-year terms, according to a set of by - laws now being drawn up. The High De-sert and balance of the county will be equally represented.

Four young leaders, serving as a nucleus of that board, lost no time in getting down to busi-ness at the recent senior board meeting they at-

Senior directors agreed. In the future, every specific category of judging will be announced in advance, so that any-one can look over a judge's shoulder as the evaluation takes place.
Others attending the

session were 4-Hers Bob Shockley and Cherry Klofanda of Apple Valley, members of the Oro Grande 'Desert Daisles and Dandies' and 'Apple Valley Ranchers' 4-H clubs, respectively. They were accompanied by Donald Appleton, county farm adviser in charge of 4-H activities.

The junior board will session were 4-Hers Bob

The junior board will hold an organizational meeting shortly to adopt specific by - laws, elect officers--president, vice president, secretary and reporter-historian -- and get down to the business at hand, the 21st annual San Bernardino County Fair, Aug 28-Sep 2 at Victorville.

Young members must participate in the fair unless otherwise excused. Each participating organ-ization shall appoint one adult adviser. Meetings will be held at least three times a year.

A new American Can-cer Society film, "The Embattled Cell," now available for public showings, demonstrates for the first time how cancer cells divide inside the human lung.

## At 336 E. Holt Ave Grand Opening Thursday For Pep Boys New Store

Assisted by leading Pomona civic officials, the Pep Boys, Manny, Moe and Jack, the nation's leading automotive and tire specialists, will celebrate the official grand opening of their spacious new Pomona store and Auto Service Center tomorrow morning, (Thursday, Junc 6) at 9 a.m. Located at 336 E. Holt Ave., this new facility replaces the former Pep Boys store at 495 Pomona Mall West which is now closed.

Expected to participate at the ribbon cutting, re-presenting the city of Pomona, are: Pomona Mayor Richard C. Brownell; Pomona Vice Mayor Fred Livermore; G. Bryan Walker, president, Pomo-na Chamber of Commerce; Pierre Hjartberg, executive vice president and manager, Pomona Chamber of Commerce; and Pomona Councilmen Randolph C. Wills, G. Stanley Keetle, and William G. Herrera.

FROM PEP BOYS Representing the Pep Boys will be Murray Rosenfeld, executive vice

#### **Damien Names Top Athletes** Of Past Year

Mark Latimer and Ken Margala were named Co-Athletes of the Year at the Damien High Spring Sports Banquet.

Latimer won All-Santa Fe League honors in bas-ketball and baseball.

Margala was a standout in football and baseball. He has received a

scholarship to Stanford. Last year's top athlete at Damien, Ron Kadizel, is attending Stanford and is expected to play tight end next season.

The top awards:

Varsity baseball: cocaptains -- Latimer and oug Edelbrock; leading hitter -- Joe Sullivan; earned run average -- Joe Edmonds; MVP -- Chuck Kieller, Sullivan and Keller won honorable mention on the All-Santa Fe team while Latimer was a second team selection. JV baseball: MVP -- Tim Corcoran.

Varsity track: co-cap-tains -- Jack Burke and Dave Ramirez; most inspirational -- Jim Kelly; most improved -- Steve Whitcher; most valuable field -- Bob Garcia, most valuable -- Paul Labarrere; bee most valuable -- Chuck Darrow; cee most valuable -- Ben Lo-

Weightlifting: outstanding frosh - Bill O'Beso and Kevin Maloney, outstanding soph -- Mario Escanuelas and Mike Metcalfe; outstanding juniors -- Bob Herman and Tom Foley.

#### Auction scheduled By Club

Assorted items, ranging from used cars to small antiques, are being collected for the Pomona Emblem Club 196 auction on June 8 at 4311 Mission

In addition to items being collected by Emblem Club members and Elks, local merchants have denated new and slightly damaged mer-1 chandlse to the benefit

president and general manager; Morton A. Krause, vice president and director of their Property Management De-partment; David Gary, Corporate Secretary and Director of Advertising; Mel Gross, district mana-ger; and Lloyd Wolford, manager of the Pomona

#### 133 STORES

"With 133 stores operating from coast to coast, including 47 serving California, our new Pomona store is the largest and most modern, and the auto service center is the most complete that the Pep Boys have yet built," stated Murray Rosenfeld. It is our response to the tremendous support Pomona community has given the Pep Boys since we first opened a store in this area back in October of 1940. We believe it not only expresses our confidence in the future of this community, but better serves the area's needs for our merchandise."

Celebrating the event, a big Grand Opening Sale starts tomorrow, June 6, at 9 a.m. and continues through Saturday, June 8. During the sale, the new store will be open until 9 p.m. on Thursday, Fri-day and Saturday nights.

HUGE STORE

The new Pep Boys Pomona store, service cen-ter and parking area encompasses over 90,000 sq. ft. and represents an investment of over \$500,-

According to Morton A. Krause, Director of Fro-

perty Management, the new building features a pattern of exposed structural steel framework, terrazzo, modular brick, and spectra glaze tile. The store interior is

fully air conditioned and heated, and utilizes the most modern lighting system, There are parking facilities for more than 150 cars. Architecture was by William Shinderman, AIA of Beverly Hills; Harry E. Rose Jr. was the General Contractor.

Consistent with the other 133 Pep Boys stores, the Pomona outlet features merchandise for every member of the family. In addition to the complete stock of auto accessories, parts and supplies, Cornell tires, Cadet batteries and Picadilly seat covers, Pep Boys carry radio and television supplies, bicycles, wheel goods and toys, garden supplies; lawn mowers, tools and hardware, stereo and stereo tapes for car and home.

A big new Auto Service Center, located adjacent to the store, boasts com-plete facilities for expert installation of tires, batteries, seat covers, mufflers, tail lights, shock absorbers, helper springs, seat belts, plus front and alignment and brake work.

Addison Wightman,

Lloyd Wolford, a fa-miliar figure in Pomona, will continue as manager of Pep Boys local store. His staff includes: Charles Nadel, assistant manager; Randolph Candelaria, Jerry Hager, Robert Melendrez, Len Mitchell, Leland Starling and

#### **Ghost Town Debuts June 7**

Ghost Town will come alive at Knott's Berry Farm, making its public debut Friday, June 7. During the summer season Andy Devine will be featured as Ghost Town Marshal.

New exciting sights, sounds and colorfully costumed personalities will bring life to the town. Hours for the summer

season will be 10 a.m. - 11 p.m. Monday through Saturday and 10 a.m. -10 p.m. on Sunday. The Chicken Dinner Restaurant and Steak House will be open daily, noon to 9

Admission to the Ghost Town entertainment area will be \$1 for adults and 25¢ for children. All parking is free of charge and there is no admission to the shopping and dining areas. Sounds of the rollick-

#### Jonathan Winters Selected Ambassador Of Scfey

Motion picture and television star Jonathan Winters has been named by the National Safety Council to be their first "Ambassador for Safety". Appointment is for a one year term, effective June

The announcement was made by Joseph M. Kaplan, executive vice president of the national organization which promotes safety in all fields.

Winters, who has his own weekly tv show on CBS, will tape tv and rad-io spots for national ap-

The comedian will be formally installed on June 14th at the organization's annual Safety Awards Banquet, to be held at the Century Plaza Hotel.

'Y' Guides Camp Out Two-hundred-sixty 'Y' Indian Guides from the Ontario-Upland Y.M.C.A. Kitchie Nodin Longhouse attended the Camp Out held at Idyllwild Park early in May.

The Camp Fire Skits were won by the Teton and Klamath tribes. The Abler, Mike Finyle and Charles Finyle of the Ch-

Klamath tribes. The Camp Out demonstrations

were given by the Chin-ook and Cheyenne tribes. The Choctaws and Nava-

jos walked away with the

scavenger hunt. Over 50 little braves made bull

roarers as a craft for the

Camp Out. Achievement were pre-

sented by Assistant Long-house Chief, Joe Tramon-tana to the following little

braves: Year of the Tur-

tle-Brant Ziegle of the Fox tribe; Steve Shatlan, Rudy Callis, Kevin Holtsclaw, Bradley Flad-land and Mark Dunn of the

Klamath tribe; and Paul Ross of the Navajo tribe;

David Wedegran and Jack Pipkin of the Arapaho tr-ibe and Scott Mayfield,

Tony Murkov of the Kiowa

The warrior awards

were given to Ken Kelch

of the Choctaws. Beaver

awards were won by Lany

octaw tribe; Brian Tram-ontana of the Navajo and Bill Casey of the Kiowa tribe.

The evening Camp Fire consisted of skits and singing of Camp songs with an Indian Story told by members of the Choc-

taw tribe.

Dan Norman who was in charge of the Sunday morning Worship Service

gave an inspirational message. Nick Kelch, Longhouse Chief, was in Longhouse Chief, was in charge of the camp out. Evron Karges, Y.M.C.A. Program Director represented the Ontario-Upland Y.M.C.A.

The next camp out will be held at Wood Chuck on Iune 8 and 9.

June 8 and 9.

#### To Trade

The "truck" in "truck" farming derives from a French verb that means to exchange or barter. This type of farming dates back to colonial America when farmers traded food they grew for goods they could not produce themselves, says the United States Department of Agriculture.

#### Day Camp Sessions Listed By YMCA

One of the most popular programs the Pomona Valley YMCA offers each summer is a Day Camp experience for boys and girls ages 6 through

8-years. As a separate unit, the Day Camp has its own playground, headquarters in the YMCA annex, plus the use of the YMCA gymnasium, swimming pool and craft shop. Activities will include sports skills, gymnastic instruction, instruction

each day, games, recreation, cook outs, hikes, adventure trips, crafts and a group living experience for the youngsters with a

Day Camp is conducted in a camping atmosphere under the guidance of trained and experienced

One of the highlights of the two week period will be an overnight "camp-out" at the YMCA. Each camper received a Day Camp T shirt and is provided milk for lunch each

day, Included in the fee for Day Camp are accident insurance, transportation for adventure trips and competent leadership.

Day Camp Schedule: Period I - June 17-28. Period II - July 1-12. Period III - July 15-26. Period IV - July 29 -

Period V - August 12 August 23. Cost \$25,00 per 2 week period (Period II \$23,00

due to Fourth of July) Advance registration is required. For further information contact Phyllis Murphy at the "Y" 623-

#### YMCA Needs Summer Volunteer Counselors

This summer the Pomona Valley YMCA will be directing a variety of camp experiences for boys and girls of the Po-mona Valley area and

#### **Ray** Charles **Now Appearing** At Melodyland

Ray Charles, one of the world's most popular artists, will come to Melody-Theater for one week, beginning Tuesday, June 4.

Appearing with him will be The Raeletts.

A look into the world of Ray Charles could well provide inspiration for anyone. Blinded at childhood, Ray has ach-leved more than more people with sight,

His numerous albums include "Sweet and Sour Tears," Crying Time, "Ray's Moods," Ray Charles, a Man and his Soul" and his latest, "A Portrait of Ray. Among the numbers he will offer during his Melodyland engagement will be such favorites as El-eanor Rigby, Yester-days, Understanding days, "Understanding and "A Sweet Young Thing Like You.

Tickets are available at Melodyland boxoffice, and all Theater Ticket agen-

there is a critical need for young men and women volunteer counselors 18 years or older.

In order to conduct an eight day session in the mountains the YMCA will need 15-25 counselors. In the past, these counselors have come from many different segments of the community, for example:

#### **Chaffey Plans Courses**

ALTA LOMA--Chaffey College today announced the addition of four courses to its vocational program for unemployed

A production machine operation course is scheduled at the Chaffey College hangar at the Ontario International Airport with enroll ment starting June 10. This course will supplant a terminating class in ma-

chine shop operation.
At the request of the State Department of Employment, the college will offer also a 9 a.m.- 3 p.m. course for nursing aides, Mondays through Fridays, during the six

week summer session. Summer session starts
June 17, with registration ending June 12.
The other courses, approved as October offer-

ings, will be in sheet meproduction and in welding. Both will be on a 20-week schedule, with classes held in the Chaffey hangar.

Courses already established in the adult vocational program at the hangar are in auto mechanics and auto body, each on a 40-week schedule,

The college offers also clerical typing in Cuca-monga and industrial sewing machine operation in Chino.

## Flag Day--1968

The calendar tells us that we soon will be observing Plag Day. This year it falls on June 14. Every U.S. citizen should be proud to look upon the American flag as the greatest national symbol ever unfurled from any standard. It represents a nation formed on the unprecedented principle that the powers of govern-ment are derived from the people. The U.S. flag exalts the individual and the constitutional guarantees which preserve his freedom. It represents a people that have been generous, heroic, and creative. It is the symbol of freedom from political oppression, of opportunity to make a better life to which the oppressed of all nations have turned with hope and been ful-

Flag Day is a good time to get back to basics and recognize that a tingling up your spine when the stars and stripes go by is one of the surest signs that the vitality and genius of this nation and its capacity to achieve great things on the stage of his-tory is still very much with us.

Despite our mechanized, computerized society, the fact remains that anything having to do with human endeavor rests upon an intangible quality of spirit in the individual. Some individuals have it in larger

measure than others, and the same is true of nations.

The greatness of the United States is based on the spirit of her people. Let us remember in these complicated days of our history, there is much need for simple patriotism, deeply felt and clearly shown.

## Joint Baccalaureate Scheduled Sunday

A theologian and educa-tor who for ten years was an associate professor of religion at Pomona College will return to Claremont on June 9 to preach at the Joint Baccalaureate Service for The Claremont Colleges. He is Dr.
John von Rohr, dean and
professor of historical
theology and history of
Christianity at Pacific
School of Religion, Berke-

The service, at 11 a.m. in Bridges Auditorium, is for graduates and their families and friends of all The Claremont Colleges: Claremont Graduate School, Pomona, Scripps, Claremont Men's, Harvey Mudd, and Pitzer, The Graduate School's convocation for awarding of higher de-grees is on Saturday. Commencement exercises for all the undergraduate colleges are Sunday

#### Winnie The Pooh To Be Presented Friday, June 7

The Children's Theatre sponsored by the Clare-mong Parks & Recreation Department, will present their version of Winnie the Pooh on Priday, June 7th at 7:00 p.m. and Saturday, June 8th at 2:00 p.m. Performances will be in the Sycamore School Auditorium. Admission is 25¢ for adults, and 10¢ for children.

The first summer session of Children's Theatre will begin on June 24th. There will be two classes, one from 9:00 a.m. to 10:30 a.m., and the other from 11:00 a.m. to 12:30 p.m. The classes will meet Monday through Friday in the Memorial Park Patio Theatre. The fee will be \$3.00 for the three-week session. Registration will be taken at the first class meeting by Mrs. Shirley Acosta, director. The classes are open to children from the ages of 6-12 years. For further information, please call the Recreation Division Of-fice at 624-4531, ext. 47.

#### African Ballet For One Week At Carousel

Les Ballets Africains," bounds into West Covina Tuesday night, June 3 to begin a weeklong engagement at the Carousel Theatre.

Some 45 dancers and musicians, Ambassadors of their native land, the Republic of Guinea, so to speak, chock-full of nonstop energy and bursting with controlled talent, will present a folk-musical revue.

As a Washington drama critic said in her review, The whole ensemble seems to have found the secret of perpetual motion, while some of the dancers do even more and dazzle with a special vir-tuosity seldom seen on the other side of the foot-

Actually, "Les Ballets Africains" is a fantas-tically rapid program, consisting of a series of native folk tales, set to music and choreographed beyond conception.

The United States was Britain's best motor car customer last year, buying 53,165 vehi-cles worth nearly \$92.4 million. South Africa was second, with the purchase of 34,406 vehicles,

ALOHA HAWAII - Dressed in Hawaiian garb, students of Mrs. Wolf's fifth grade class at Ekstrand School, under the direction of Mrs. Martinez, have been studying Hawaii. Much research has been

done on the Islands and to conclude the unit, planned a luau and were allowed to dress in Hawaiian style for the day. The students are shown in above picture, before the feast.

#### Ray Charles At Melodyland

Ray Charles, one of the most popular enter-tainers in the musical field, will open a one week engagement in Melodyland Theatre tonight with the Raeletts as his special guest stars.

Charles will perform many of his most popular recorded numbers among them being such hits as his first recording, "Georgia On My Mind," 'I Can't Stop Lo-vin' You," "Cry," "Baby It's Cold Outside," "Teardrops From My Eyes," "Born To Lose," Your Are My Sunshine, and 'I Chose To Sing The Blues."

# Lots Of Garbage, The Mockingbird And Other Unusual Problems For You

NUCLEAR ENERGY is a crime - detection tool, says the American Nuclear Society. A technique of radio-chemistry called activation analysis is the latest technique available to police, It can help tell whether two samples of heroin came from the same batch, positively identify paint from a car, tell how far away a gun was that fired a shot, and from a single hair give details of a subject's description.

USE IT ONCE The 'Use-it-Once-and-Throw-it-Away' philoso-

phy that follows affluence has made the U.S. a "dis-posable" society -- with each person generating about three pounds of gar-bage a day, Multiply that by 200 million and that's a lot of garbage. "As a productive society we produce a high amount of waste material, and we are beginning to ex-perience disposal pro-blems," says a Georgia Tech industrial engineer. We are running out of places to dump and to bury garbage, and burn-ing creates air pollution problems." LOTS OF GAS

Petroleum and natural gas are among the most important and widespread mineral commodities in Appalachia, reports the U. S. Department of Interior. Estimated proved reserves of crude oil to-tal about 376,3 million barrels. Proved natural s reserves total about 5.5 trillion cubic feet, In addition, organic-rich black shale deposits are potential sources of large quantities of oil and gas.

The basic oxygen method is the fastest-growing element of the American steel industry and is most revolutionary

open hearth surpassed the Bessemer steelmaking process, reports Cheme tron Corporation, Chi-cago, in the basic oxygen furnace large quantities of furnace large quantities of oxygen are used to raise temperatures swiftly and burn up undesired elements. This method produces a "heat" of steel in 40 minutes, instead of six to ten hours required by the open-hearth process.

HOW MUCH

The question of exactly how much water a large tree needs has remained unanswered for years but a research physicist with the U.S. Geological Survey may have come up with an answer. Using a 65-year-old, 40-foot high ash tree in his own back yard, he found that during the height of the growing season the tree requires as much as 19 gallons of

water a day.

DON'T MOCK

Don't mock the mockingbird. He has a terrible temper. Few birds are as vigorous in their defense of territories, and when young mockingbirds are about, the parent bird's attack can make even a cat move on.

OUTSTANDING HUMANITARIAN: Victor M. Carter, Los Angeles (R) industrialist, civic leader and philanthropist, is presented with AID-United Givers "Humanitarian of the Year" award by AID president Joseph M. Lowery (L) at Tuesday, May 28, Seventeenth annual luncheon meeting in the Biltmore Hotel Bowl, Los Angeles. The AID Award is conferred annually on the individual who is considered to have done outstanding work in the field of humanitarian endeavor.

#### Pomona College Adds To Administrative Staff

CLAREMONT - Ap pointment of two new members of the Pomona College administrative staff, effective immediately, was announced today by Dr. E. Wilson Lyon, president of the

college. They are Gordon J. Hazlitt, Los Angeles, co-ordinator of publications, and Thomas C. Pearson, Pomona, administrative assistant to the director

of development. Hazlitt, a 1954 graduate of Pomona College where he was elected to membership in Phi Beta Kap-pa, will become editor of Pomona Today, the col-lege's quarterly alumni magazine, and will as-sist in the publication of the college catalog and other booklets and pamphlets. Hazlitt, who is a native of Whittier and did graduate work at Harvard University, has been employed as a freelance writer. He has written articles for the magazine sections of the Los Angeles Times and Chicago Tribune, and for West-ways Magazine.

Pearson, who received a B.S. degree from Cal Poly, Pomona, and has done postgraduate work at the College of William and Mary, Williamsburg, Va., and California State College, Fullerton, was a material coordinator for the Lockheed Aircraft Service Co., Ontario, be-

fore coming to Pomona College. A member of the U.S. Naval Reserve, Pearson was a squadron educational services officer at Norfolk, Va., and attended several military schools, including the Naval Air Technical Training Center and the U.S. Naval School of the Pre-

#### **Pomona YMCA Hires** New Health Director

The Pomona Valley YMCA has hired George Abbey as the Health Club Director and Masseur. George has come to the Y' with high recommendations from the Petroleum Club of Long Beach and the Beverly Hills Health Club. He also received high praise from medical doctors he work-

ed for as a therapist.

He takes on the position
as Health Club Director in a new facility that the Y's refurbished for over \$42,000. The Health Club

includes carpeted locker room, steam room, sauna bath room, ultra violet light room, whirlpool bath, a lounge and exer-

cise equipment.

The New Club is geared to meet the needs of people who are busy, who work under a lot of pressure, who need to get away and relax in a Health Club

like the 'Y'. George Abbey gives the Swedish Massage treat ment. He also councils members on physical fit-ness and personal health.

# For President? College Students Prefer McCarthy

College students in Pomona Valley want Eugene McCarthy as the next president, with Rob-ert Kennedy a distant second choice, slightly ahead of Rich-ard Nixon. Nelson Rockefeller runs in fourth position.

The preferences were indicat-ed in returns in the Choice '68 election recently sponsored by Time Magazine throughout col-leges in the United States. A percentage breakdown of Po-

ona Valley voting: McCarthy, 38.18 per cent. Kennedy, 17.27 per cent.

Nixon, 17.15 per cent. Rockefeller, 13.59 per cent. Students from seven area col-

leges voted from among a choice of 13 candidates who have been mentioned for the presidency. However, Vice President Hubert Humphrey's name was not on the ballot.

Ballots also contained three issues on prospective action re-garding the Vietnam war and

urban problems.

Students thought the military should be withdrawn from Vietnam in phases (47.22 per cent)

or should be withdrawn immed-

ar should be withdrawn immediately (22.7 per cent).

Bombing of North Vietnam should be stopped (39.87 per cent) or suspended (27.86 per cent), students thought.

The solution to urban problems lies in job training (45.72 per cent), students maintained, or in education (38.5 per cent).

or in education (38.5 per cent). The following is a breakdown on how the different colleges voted for the presidential can-

CHAFFEY COLLEGE - Mc-Carthy, 30.47 per cent; Nixon, 25.68 per cent; Kennedy, 23.44 per cent; Rockefeller, 5.66 per cent. Some 16.48 per cent of the

CLAREMONT MEN'S COL-LEGE - McCarthy, 33.33 per cent; Rockefeller, 23.86 per cent; Nixon, 14.96 per cent; Kennedy, 10.80 per cent. Some 89.81 per cent of the student body voted.

HARVEY MUDD - McCarthy, 41.6 per cent; Nixon, 16.4 per cent; Rockefeller, 15.2 per cent; Kennedy, 10.1 per cent.

LA VERNE COLLEGE -Kennedy, 30 per cent; Nixon, 26 per cent; McCarthy, 24 per cent. Twenty-three per cent of

MT. SAN ANTONIO COL-LEGE — Kennedy, 30.05 per cent; Nixon, 23.32 per cent; McCarthy, 16.21 per cent; Rockefeller, 7.38 per cent. Some 9.69 per cent of the students

POMONA COLLEGE - Mc-Carthy, 67.87 per cent; Rocke9.20 per cent; Nixon, 4.68 per cent. Some 52.90 per cent voted. SCRIPPS COLLEGE - Mc-Carthy, 53.78 per cent; Rockefeller, 17.73 per cent; Nixon,

9.01 per cent; Kennedy, 7.27 per

cent. Some 80.27 per cent voted, This is a summary of the way all of the colleges, except La Verne where the vote on the issues was not available - voted on the different issues:

-Military action in Vietnam: immediate withdrawal, 22.7 per cent; phased withdrawal, 47.22

per cent; maintain present force, 9.13 per cent; intensify, 7.97 per cent; all-out, 14.75 per

-Bombing in Vietnam: cease, 39.87 per cent; suspend, 27.66 per cent; maintain, 9.63 per cent; intensify, 19.38 per cent; nuclear, 3.06 per cent.

-Urban porblems: education as a solution, 38.5 per cent; cent; housing, 4.75 per cent; subsidy, 3.02 per cent; job training, 45.72 per cent; riot control, 7.68 per cent.

### May Rule Old Clunkers Off Roads If Bill Passes

Autos and trucks not meeting rigid, clean air standards would be kept off our highways under a measure now being debat-ed in the Legislature.

After months of controversy that has raged up and down the state and even into Detroit and Washington, the bill to reduce auto-produced smog finally passed the Assembly last week and was sent to the Senate, where it may provoke even more

The bill calls for tighter pollutant emission standards for new cars sold or newly registered in California after January 1, 1971. But the auto industry, which calls this the toughest anti - smog bill in the nation, gen-erally contends that the proposed standards are so strict that conformity will not be possible by the

FORCE DETROIT However, the author argued that such legislation is the only way to force real efforts by Detroit to reduce further the emission of pollutants by cars, which he said produces 70 percent of California's smog statewide and 90 percent in Los Angeles, San Diego and Sacramento. Sacramento.

ed for an accompanying bill designed to promote the development of steam, electric or turbine powered cars. If such autos are produced, California would be pledged to buy a substantial number as its official state cars.

The primary measure establishes a new, tough limit of smog-causing hy-drocarbons and carbon monoxide that vehicles can legally emit. Autos these limits could not be sold or registered in the state after 1970. And the technical standards would gradually become more rigid in succeeding years.

Automobile manufacturers and the federal government have been criticized by spon or of the bill for their insufficient interest in developing new types of car engines to combat smog.

STEAM ENGINES

Apparently the de-velopment of steam engines is being sought as the best answer to the problem. We are told by the author that steam seems to be "the most readily manufacturable and saleable low emission powered source."

"Not so," claim the re-presentatives of the large auto manufacturers, who warn that external combustion units such as steam engines would be more complex, more difficult to maintain, and more expensive to pro-

Detroit says the objectives of clean air quality can be achieved most quickly and at a lower price through further development of the internal combustion engine. It is claimed that plans now in the works to suppress pollutants on con-ventional cars will result in 1980 hydrocarbon levels in Los Angeles no corded in 1940--despite a fivefold increase in the number of cars.

NEED VITAL Despite this contro-

ersy, the need for action is vital in California.
The Assembly Transportation and Commerce Committee, which has made an extensive study of the air pollution problem, points out the terrific cost to all Californians. It cites health costs of \$125 million a year and rising; \$248 million a year in plant damage and rising, and millions and millions in hidden costs also rising.

#### Achievement Center Discussed At Covina Meet Plans For New Junior

10 Piece . .

QUEEN

SIZE

**ENSEMBLE** 

COMPLETE free

COVINA - A group of east San Gabriel Valley city administrators and mber of commerce officials met here May I, to hear of plans for a new Junior Achievement business center slated to open in the fall.

The gathering of community leaders heard Ray A. Tritten, president of

EASY

TERMS

Day & Night Manufactur-ing Co. and The Payne Co., City of Industry, say that the new center would serve as headquarters for about 250 east San Gabriel Va'ley youngsters who will compose 12 Jun-ior Achievement compan-

Tritten, chairman of the area's Junior Achie-

vement advisory group, is spearheading the drive by local businessmen seeking to establish the new youth center.

Junior Achievement, he explained, is a nationwide organization of high school students who learn the free enterprise system by forming and operating their own miniature

companies. The young-sters meet weekly after school hours to conduct their business affairs.

"Achievers face the

same problems and challenges that confront all businessmen. Tritten said. He pointed out that the teenagers raise capi-tal by selling shares of stock at one dollar a sh-

a product or perform a service, pay wages and taxes and produce an an-

nual report to stockhold-Tritten told the group that more than half of the \$16,000 needed to establish the center has been

contributed by east San

Gabriel Valley business and industry and that his committee is seeking additional support.

The funds, he said, will be used to lease appropriate space for the center, provide machinery and equipment which the youngsters use in manufacturing their products. Marble Stain

Most stains on marble are removed best with the applica-tion of a poultice. To make a poultice, soak a piece of white blotting paper, white tapkin, stains, use ammor gen peroxide in hair bleach strength; for oily stains, an amyl acetate or acetone seivent.

#### Alta Loma Honors Girls' Cage Squad For Season

The Alta Loma High School cafeteria was the setting for the Leaders' Club championship bas-ketball celebration and

awards night.

Miss Kathy Bell, newly elected Pep Commissioner.

Miss Pollock pictured

a guided tour down memory lane for parents and the team recalling hard won games. The teams selected for the girls to compete with were far superior in the league. It was a challenge to the team, so victory did not come easy. Through team work, and at times indi-vidual thinking, they came home with the Twin Coun-ties League basketbail

trophy.
Responsible for this honor were Elaine Ar-bezzi, Fran Arner, Celia Asebedo, Kathy Bell, Pauline Buquet, Elaine Craig, Christi Fletcher, Cindy French, Judy Hil-ton, Sharon Laidley, Leslie Lock, Jo Long, Mikki Lubecki, Sherrie Ryder, Susie Sargeant and Ka-ren Smith.

Trophies for Most Out-

standing Player was awarded Kathy Bell, Most awarded Kathy Bell, Most Improved to Mikki Lubecki, and Most Spirited to Cindy French. Best free-throw percentage award went to Miss Bell and for best guard to Elaine Arbezzi (the lone senior) and Fran Arner. senior) and Fran Arner.

Assisting Miss Pollock to achieve victory were Miss Madeline Patane and Mrs. Barbara Ford, physical education instructors.

Miss Bell presented the teachers with a silver

VALEDICTORIAN, Doug-las Hodell, winner of nu-merous awards, received two more honors at Upland High School's Award as-sembly last week with the presentation of the Mc-Leash Award as Outstand-ling Senior Boy and outing Senior Boy and out-standing scholarship honor from the 163rd Air Force Fighter Group of Ontario.

STEVE LARSON is one of three salutatorians from Upland High with a 4.0 academic accume. The son of Mr. and Mrs. P. S. Larson, 934 N. Euclid, Steve was recently accepted with honors at entrance to the University of California, Irvine Cam-

#### Assoc. Pastor To Leave Post

reception for the Rev. and Mrs. William R. Parry will be held Sunday, June 9 from 9:45 a.m. to 11 o'clock at the First Presbyterian Church of Upland.

The congregation re-ceived and accepted a letter of resignation from Rev. Parry, associate pastor of the church, ef-fective June 30.

It is believed that the first rocking chair was made around 1860 in the United States.

#### **Sweet Peach Shortcakes**

SWEET PEACY SHORTCAKES pkg. frozen peaches thawed
Tables poons brown sugar
Tables poons butter or margarine, melted

Serve in sauce dishes with peaches between donut halves, sandwich style. Top with Frothy Orange Sauce. Frothy Orange Sauce: 1/4 cup frozen orange juice concentrate, thawed

1/4 cup sugar 1/8 teaspoon salt 1 egg yolk 1/2 heavy cream, whipped

Arrange peaches in 8-inch square pan. Add sugar Cook over low heat, stirring until sugar dissolves. and butter. Cut donuts in half, crosswise; place on top of teaches, cut side down. Bake in hot oven (450°F.) Beat egg yolk slightly; gradually beat in some of orange juice mixture; return to rest of orange juice in mixture in saucepan. Cook, stirring until slightly

Cool to room temperature; fold in cream, Refrigerate until chilled. Yield: 4 servings

ta, treasurer.
Appointed committee

chairmen for the 1908-69 club year will include Miss Frances Barks, parliamentarian; Mrs. Hopkins, Mrs. John L. Sugar and Mrs. Arthur A. Novelli, membership; Mrs. Mildred Gould, Miss Barks and Mrs. Henry Lucas, program; Mrs. Joseph W. Shanklin, Mrs. Althea Correll and Mrs. Rubie Rowland, hospitality and Mrs. H. J. Ladwig, publicity.

ity and Mrs. H. J. Ladwig, publicity.

CAP dignitaries expected to attend the event are Mrs. Joseph Williams, president; Mrs. Jo Wheeler, Southern Area chairman, and Mrs. Ina Potter, parliamentarian, Guests are welcome to attend the installation ceremonies and dinner. Reservations must be made with Mrs. Shanklin, 851 Granada Court, Ontario, by June 3.

#### Rev. Peyton To Address Presbyterian

UPLAND -- Rev. Hugh-ston R. Peyton, a staff member of the United Presbyterian Church U.-S.A. and Field Director for the Southern Area of the Synod of California will be the guest speaker for the June 6 luncheon of the Women's Associ-ation of the Upland First Presbyterian Church at 12 o'clock in Hart Fel-lowship Hall.

Rev. Peyton provides on-the-spot guidance to the synod, its presbyteries and its congregations in regard to counseling with Christian education and other judicatory committees, the selecting and preparing of leaders for program events and in general giving guidance and administrative assistance in support of a total ministry of education.

Prior to assuming his present post, Peyton held similar responsibilities for seven years as Field Director for the Synod of Mid-South, where he also served as moderator of the Synod and at vari-ous times stated clerk of three of the presbyteries.
He has also held pastorates in Birmingham and
Athens, Ala., and Springfield, Tenn.

A native of Dalton, Ky.,
Peyton received his B.A.
degree from Bethel College, McKenzie, Tenn.,
his B.D. degree from
Vanderbilt University Divinity School, Nashville,
and his M.A. degree from
George Peabody College
for Teachers, also Nashville. He has done special studies in the area
of sociology, psychology
and New Testament interpretation, His topic
will be "The New Spectrum".

The luncheon will be
served under the direc-

served under the direc-tion of Mrs. Robert Jones and Mrs. Alexander Mc-

#### 4-H Ambassadors Elect Officers

Sharon Norton was elected president of the Upland Ambassadors 4-H Club at a recent meeting of the group held at the Baldy View Elementary School.

Officers elected to serve with Sharon are: Gloria Gula, vice-presi-dent; Linda Ziak, secredent; Linda Ziak, secretary; Janice Owens, treasurer; Amy Tarbell, corresponding secretary; Joe Gula, reporter; Christie Norton, song leader; and Sharon Norton, recreational leader.

10

ton, recreational leader.

"How to Groom a
Horse" was the topic of
a talk given by Rebecca
Potts. Project reports
were delivered by Linda
Nichaels, Valerie Kester,
Sally and Amy Tarbell,
Eva Rzepecki, Christie
Norton, Timmy Kester,
Kathy Kartowitsch and
Joe Gula.

Conservation reports

Conservation reports were given by Barbara Rzepecki, Timmy Kester, Eva Rzepecki and Chris-

tie Norton.
Sally and Amy Tarbell demonstrated "Planets of the Solar System" and Dan Rowland gave a woodworking demonstration entitled "Plane Facts,"

champion pilots will display their talents during the Pomona Valley International Air Show at the Los Angeles County Fair Grounds Saturday and Sunday, June 8-9.

Sky diving, aerobatic events, a mock dog fight between two World War fighters, helicopter

stunt flying and helicopter rides fill the three hour show, this in addition to a multitude of equipment, armaments, safety, aircraft displays on the ground,

champs taking part will be E.D. Weiner of Los Angeles, a three time Transcontinental air race winner, and former unlimited race champion Chuck Lyford of West Los Angeles,

Bob Herendeen of Glendale, who lists the world aerobatic championship among his credentials, and Art Scholl of San Bernardino, a leading candi-date for the aerobatic title, will be giving exhibitions in their little tight flying planes.

Proceeds of the show go toward establishing a permanent American Aerospace and Military Museum in the greater L. A. area. Admission is

\$2 for adults and \$1 for children 6 to 12.

The L.A. Fair Grounds in located just off San Bernardino Freeway at the Ganesha turnoff.

ALCOHOLICS' FRIEND CAN'T DO IT ALONE

# 'Won't Someone Help?'

**Photos By Ralph Viggers** 

By AL PEARCE

Daily Report Staff Writer
Judge Roland Rutledge looked pityingly from the shabbily dressed man before his bench to the audience in his courtroom and pleaded, "Won't somebody help this man?"

Wayne Fanning, who only two days earlier had been released from jail on a drunk charge, hesitated for a moment and then ackwardly raised his

Thus was born a program that has reduced drunk arrests in the West End by an estimated 10 to 12 per cent. It has removed several families from the welfare rolls and returned more than 100 "useless drunks" to a beneficial role in society.

It didn't start as a program; it started only as an effort by one man to help another.

That was in May 1967. Since that morning, Fan-

ning has not missed a day in court. Between then and December 1967, 117 men were released into his custody and only five have subsequently been arrested for being drunk.

"He has a remarkable record of achievement," insist both Judge Rutledge and Judge Richard C. Garner, the two West End Municipal Court jurists.

Fanning, a disabled pensioner, has worked tirelessly at his new role in life. For the first five months following his release from jail, he struggled 12-18 hours a day to empty West End jails of

Where once he was an eyesore in court, he is now welcomed with open arms. In one short year he has come up from his past role as a burden on society, to an appreciated leader of the community. In October 1967, he took a deep breath and

plunged into an all-out program. With what little money he and his wife had been able to save, he rented a big house at 616 N. Euclid Ave., Ontario, and started the Alcoholic Education Program.

Armed with a fistful of statistics, Fanning started making the rounds in the community. He appealed to employers to make jobs for his wayward souls. He lined up ministerial counseling and brought a volunteer psychotherapist into his pro-

He enlisted the aid of Alcoholics Anonymous and started having meetings in the home he and his wife rented. He discussed the program and the alco-

holic problems with every expert he could find.

Fanning is quick to tell the employer about the recently completed Yale University report which indicates that the average alcoholic - if he holds a job at all - is absent an average of 25 days a year. His accident rate is double that of his fellow work-

To city officials he points at the study in Massachusetts which revealed that for every dollar liquor revenue brought into the treasury, \$4.12 was spent on the alcoholic.

There is a growing trend across the nation to think of alcoholism as a disease rather than as the efforts of a "useless drunk" to evade the dictates of

This trend has brought about a different approach toward the problem. Some judges across the nation have flatly refused to handle alcoholics, insisting that it is not a criminal matter.

Both Rutledge and Garner were quick to admit that they used jail sentences as a last resort. Continued on page 36

Stacy Lenhert, 2, Plays Near Where a Record Sailed Into Her Back Yard.

#### Stuck Record ... and Probably a Slipped Disc, Too

ONTARIO - What's the record for

sailing a record?

A new record may have been set with an old record that came winging its way recently into the back yard of Mr. and Mrs. J. C. Lenhert,

1254 College Way... Fortunately, instead of conking somebody on the noggin, the record embedded itself in a thick wooden slab of a bench.

The Lenherts' two year-old daughter, Stacy, had been playing on her slide only a half-hour before Mrs. Lenhert discovered the disc - an old 78-r.p.m. Decca featuring Bing Crosby singing "The Teddy Bear's Pic-

Where did the wayward platter

Undoubtedly not from a record promotion outfit. Bing Crosby doesn't need that kind of publicity.

Whether this is a tape-measure job Whether this is a tape-measure job for platter propelling, no one knows. But Mrs. Lenhert opined that the errant record probably got its start at the hands of "some boy trying to sail it into an empty lot nearby."

"I called The Daily Report," she explained, "just to let people know how dangerous this can be."

We Don't Wait for 'Em to Come to Us . . . We Go to Them . . . .

T've Been there and I Know How It Is . . .

'God's My Sponsor . . . I Know of No Other Way I Could Have Got Sober'

When the Officer Asked If the Drunk Was Going to Drive, the Drunk Said . . . 'Got to . . . I Ain't in No Condishun to Walk.'

CITY OF UPLAND
Upland, California
NOTICE INVITING BIDS FOR
FURNISHING AND IN-STALLING CARPETING IN LIBRARY BUILDING

June 3, 1968 NOTICE IS HEREBY GIVEN that sealed bids will be re-ceived in the office of the Pur-chasing Agent of the City of Upland, California up to 2:00 o'clock P.M. on 19 June 1968, at which time said bids will be opened and publicly read in the Council Chambers, Upland, California for furnishing all materials and equipment and performing all labor required to complete the carpeting work as provided in the Specifications, Drawings and other approved Contract Documents on file in the office of the Purchasing Agent of said City, to which specifications bidders are referred for further information.

Drawings and Specifications and all contract documents may be obtained at the abovementioned office of the Purchasing Agent upon payment of a fee of \$1.00 for each set of Drawings and Specifica-tions, which payment is non-refundable.

Each proposal must be accompanied by a certified or cashier's check or bid bond in the amount of 10 per cent of the total bid price, payable to the City of Upland, as a guarantee that the bidder, if his proposal is accepted, will promptly execute the contract, secure payment of workmen's compensation insurance and furnish a satisfactory faithful performance bond in the

the

tha

Ca

amount of 100 per cent of the total bid price, and a labor and material bond in the amount of 100 per cent of the total bid price.

Pursuant to the provisions of the Labor Code of the State of California, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for legal holidays and overtime work, for each craft or type of workman needed to execute the work contemplated under the Agreement, as ascertained and set forth in Resolution No. 2073 adopted by the City of Upland City Council, shall

be paid to all workmen em-

ployed on said work by the

Contractor or by the subcontractors doing, or contracting to do, any part of said work. All others shall be paid at the prevailing rates paid in the County of San Bernardino. Overtime applicable to each classification shall be paid at the prevailing overtime rate in the County of San Bernardino. The foregoing schedule of hourly wage rates is based on a working day of eight (8) hours. The hourly wage rates prescribed herein above are the per diem rates divided by the aforementioned number of hours constituting a working , day. It shall be mandatory upon the contractor to whom the contract is awarded and . upon any subcontractor under him to pay not less than the specified rate to all laborers, workmen, and mechanics employed by them in the execu-

tion of the contract. Bids must be returned to the office of the Purchasing Agent enclosed within a sealed envelope with the words "Bid-Carpeting in Library Building" plainly marked on the outside of the envelope.

The right is reserved to reject any and all bids which the City Council may deem not to be the best interest of the City and also the right to waive any informalities in a bid, and the right to award the contract for the above described work within 30 days thereafter.

Work of installation shall begin on or about 1 November 1968 and shall be completed within 12 working days.

Further information will be furnished and detailed plans and specifications of the proposed work may be inspected at the office of the Purchasing Agent of the City of Upland. Proposal blanks and copies of the plans may be obtained from the office of the Purchasing Agent. By order of the Council of

the City of Upland, California I.C. HAROLD TERRY Purchasing Agent City of Upland Upland News No. 3239 Publish June 5, 12, 1968

# Please Give Us a Hand?

Continued from page 35

Garner said: "There comes a time when you've got to do something to protect the indivi-dual from himself and to protect society from the alcoh-A jail sentence is sometimes the only means available."

Rutledge said that at best, a jail sentence is only postponing the problem. For this reason, both judges are 100 per cent behind Fan-

ning's effort.

In fact, when Garner learned recently that Fanning was hav-ing a financial problem, he per-sonally appealed to the city councils of Ontario, Montclair

and Upland for aid. The cities quiekly voted the equested \$150 each which will keep the program alive through

What then? Up until May of this year, Fanning had paid all cost of the program. But his wife became ill and has not been able to work since February. Now they are living only on his meager

pension - not nearly enough. Rutledge said there is a state program that will assist in operating clinics designed to bring the alcoholic back to society. But there's a catch: the state will only help after the clinic has been established and can produce evidence that its pro-

gram is working.

In the meantime, Fanning cannot hold out much longer He has reached the end of his reserves and unless funds are forthcoming soon from some-where, the problem will revert back to the residents of the

According to Rutledge, the only sources of aid open to Fan-ning at this particular moment are the residents of the West

He said they could either help, or the problems would re-vert back to where they were a year ago. This would mean that nmunity would still be — but in a different paying — but in a different fashion. That money would be wasted on welfare, jail sen-tences and added police efforts.

Of GI Training Program der the G.I. Bill following World War II and Korea.

CONTRIBUTION The contribution they now make to our nation is tremendous in all the varied occupations.
Technology is increasing
at so rapid a rate, at
times it is almost unbelievable. This startling advancement benefits us all through healthier, longer lives and higher standards of living, which can be traced in many cases directly to the

benefits of the G.I. Bill. When I first came to Washington as your representative, nearly two years ago, it was esti-mated that 11,000 veterans in San Bernardino County were eligible to

receive training. That figure grows day by day as young men complete their tours of duty and return home to re-

sume interrupted lives. Harold C. Murphy, Director of Veterans Affairs for San Bernardino County, and his fine staff have but one objective. That is to help make the transition from military to civilian life a little easier and to help with any problems that arise not only the returning veteran but all who have

served. From June of last year until this July, more than a million dollars will have been spent in our county by the Federal Government for training our ex-servicemen and women.

AID TO ECONOMY Compensation, pension and aid to dependents of veterans will account for more than \$2.5 million more to bring the county total to \$3,707,445. The G.I. Bill itself is

a result of the perseverance and dedication of veterans' organizations such as the Legion, V.F. W., D.A.V., Jewish War Veterans and others, that have struggled through the years for the rights of those who served.

Today, a large segment of our country is made up of veterans and their families. They continue to contribute to the welfare, security and economy of this nation.

They are one of many reasons America has grown to symbolize freedom and prosperity throughout the world.

#### W. Covina Charley Brown's Open

Charley Brown's, a restaurant that has earned the patronage of the dining-out public and rec-ognition from the food and beverage industry, opened its third unit June 1, at 3041 East Garvey Ave., West Covina, California.

Charley Brown's has a unique operating format that makes it possible to offer all the features that make dining out enjoyable but which reverses the trend toward high dinner prices.

Dinner entrees are limited to the two most popular in Southern Cal-ifornia -- steak and lobster. This enables the restaurant to keep costs moderate, to concentrate on obtaining the best food available, and to develop the equipment and techni-ques that approach perfection in the preparation

of these specialities.

The basic dinner includes salad with choice of dressings, a loaf of San Francisco sourdough French bread serv-ed with a cutting board and knife, and a sher-bet-and-champagne des-

The intimate atmosphere inside is enhanced by an unrestricted view of the San Bernardino Freeway, the City of West Covina and the foothills ringing the San Gabriel Valley.

# Sen. James Whetmore Commends 'Get Tough Policy' at Denver

As we all know, our California colleges have for the past several years, been plagued by long sequence of "happen-ings" which include riots, obscene plays, sculpture, art work, vandalism, sitins, etc. Unfortunately, many people feel that the reason these happenings" have continued and probably will continue in the future is because so far virtually no concrete actions, disciplinary or otherwise, have been taken by the authorities on the campuses to whom normally the public looks for action to stop this sort

of thing. A ray of light appears on the horizon, however, in connection with the action of the Chancellor of at least one college, though unfortunately, the college is the University of Denver. Even though not a part of our state college system, I thought you might be interested in noting the contrast between his attitude towards these "happenings" and that of the administrators of our colleges here in California.

At the University of Denver, according to the Chancellor, a small group of students made de mands, issued threats to the administration, and specifically threatened to occupy the Chancellor's office and the Adminis-tration Building, and to sit-in in other essential University buildings, with the avowed intent to disrupt University activit- D

dismissing the trouble-makers, Chancellor Maurice B. Mitchell addresof the University. In part,

it states:
"This letter is to inform you that this university has dismissed more than 40 students on this day. Their dismissal is the result of willful disobedience of the rules and regulations for orderly 

be run by threats and intimidation. It will not respond to ultimatums from students, and it will not be intimidated by the pressures of groups who are dedicated to the disruption of institutions of higher learning or seek disorganization to the point where such institutions can be controlled by violence and run under constant threat of dis-

ruption. . . . It is because we do not intend to abandon this hope in the hysteria that seems to have permeated many of the nation's campuses, that we have taken the position that the most extreme disciplinary action--absolute dismissal from the unversity--will

be applied to those who interfere with its operation by engaging in sit-ins or other improper and istruptive actions. and distruptive actions,

"I make myself fully responsible for these decisions. In the simplest language in which I can put it, the time has come for society to take back control of its functions and its destiny. If we condone the abandonment of the rule of law in the university, right to expect those who attend it and later move on into outside society, to conduct themselves in any other manner.

"There is the assump tion on the part of some disaffected students at the university that it is immoral for them to tolerate conditions not of their liking, and that they have some sort of moral obligation to engage in acts of defiance and violence..

"I have replied that the decision to engage in such activities carries with it the full responsibility to accept punishment--and punishment on this campus under these circumstances and for such acts is going to be instant and sufficient to the cause. . . "The group involved in

violence and other improper activities appears to number substantially less than one hundred. . .

"It is the apparent in-tention of this small group to disrupt the activity of the institutuion and to take control of the decisions that should be made by responsible members of the administration-the faculty--and the student

"I deeply regret the need to disfigure the image of the university by dismissing summarily large numbers of students, but there is not now and will not be in the future any alternative to FREE ESTIMATES

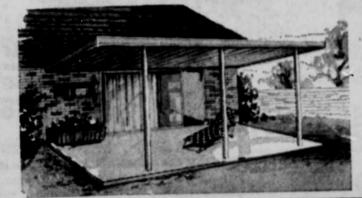

this handling of this kind of situation. . . .

"The time has come to make a stand, and we are doing it in the very beg-inning. We want no Columbia University or Berkeley or Howard or Wilburforce situation on this campus, and we simply are not going to have

Unfortunately, again, Chancellor Mitchell does not have charge of our California colleges. Hopefully, the day will come when we will have men of his caliber in our tax - supported institutions.

#### Nancy Wilson Due June 11

Nancy Wilson is one star who not only cares about the youngsters of today, but does something about it.

Nancy, a mother herself, is concerned with school dropouts. In Los Angeles, which is now her home, and in cities she has appeared in, she made a point of visiting schools and talking to 9th, 10th and 11th graders on the importance of continning their education.

This soon became an established routine in which Nancy would take over a 45-minute assembly, talk to the students briefly and then win them over with a concert.

And speaking of concerts, the lovely singer will appear for a week's run, June 11-16 at the Carousel Theatre, West Covina in her own show, "An Evening with Nancy Wilson." Buddy Rich, the great drummer-man will be her special guest star.

#### 'Pushing Hubby Through' Ceremony At CP, Friday

The 12th annual \*Push-ing Hubby Through \*ceremony will be held at California State Polytechnic College, Pomona at 8 p.m. on Friday, June 7.

The event, sponsored by the Student Wives club, honors wives of graduating seniors. It will be held in the College Theater and is open to the public at no admission charge.

Co-chairmen for the ceremonies are Mrs. Larry Moneymaker of Montclair and Mrs. Jerry

Fragnoli of Pomona. Dr. Robert C. Kramer, President of the College will deliver the welcoming address and present the diplomas to the wives. The P. H. T. address will be given by Kenneth

Green, associate dean of counseling at the college. Chester O. Mc Corkle, former Cal Poly Dean of the College, is the guest speaker. The diploma awarded

to the wives states: "Be it known that the following have completed in a most satisfactory manner the major project of admiring, badgering, coaxing, demanding, encouraging, financing, goading, harp-ing, inspiring, jollying, kibitizing, loving, managing, suffering, threaten-ing, understanding, nagging, overseeing, praising, quieting, remind-ing, villifying, worrying, and otherwise aiding and assisting their husbands in their efforts to complete the requirements for a baccalaureate degree from this college.
